PROFILE

My name is Kravann Yorm. I was born on March/ 22/ 2005, in Siem Reap province. I'm a Web Development student at Passerelles Numeriques Cambodia. I am keen, hard-working, and reliable. I am bright and receptive and can communicate well with people. I like to share what I have learned with others and am patient in solving problems.

PROJECT EXPERIENCE

Project JavaScript (WEATER)

December, 22, 2025

- Developed a weather website using HTML, CSS, and JavaScript
- Integrated OpenWeather API to fetch real-time data
- Displayed current weather, hourly, and 7-day forecast
- Designed a simple and user-friendly interface
- link: <https://weather-web.magic-web.site/>

Visual Company 1(Cleaning App)

Feb 17, 2026 - Mar 31, 2026

Role : QA and Developer

- Created test cases and test scenarios based on requirements
- Performed manual testing on all features (login, booking, dashboard)
- Identified bugs and reported them clearly to the development team
- Retested features after bugs were fixed
- Tested APIs using Postman
- Checked UI/UX to ensure smooth user experience
- Verified system works correctly on different devices and browsers
